First Person Singular

By HARRY ELWOOD

Last week, through some miraculous process not yet fully understood by me, the Sierra Madre News came out approximately on time.

I hope you enjoyed our first issue. It contained many a faux pas, I discovered to my dismay, but I don't suppose The News would be known—affectionately, I hope—as the "Squeak" if it were perfect each week. Who likes anything or anybody that is perfect?

In the intervening seven days I—an outsider, still—learned a little more about Sierra Madre, about its people and its peculiarities.

Most of what I learned I liked. The people here seem amazingly friendly, much more so, I believe, than they would be in a similar town in New England. Why this is so I have not yet discovered for sure.

Perhaps it's because so many people in Sierra Madre and in Hastings Ranch are transplanted easterners or mid-westerners or southerners. Like my wife and I, they came here strangers and were embraced by other lonely strangers. The friendly habit took root and grew into a profusion of social groups, civic clubs and fraternal organizations.

Never before have I seen such a welter of organizations whose members work so hard. There are the Lions and Kiwanis, of course, and the Chamber of Commerce, Friends of the Library, the Semanons, the Civic Affairs Assn., the Democratic Club, the Tennis Club, the Republican Club, the Nursery School—and a host of others.

The unusual thing about it all is that most of these organizations seem to accomplish something.

In the Sierra Madre cliffs or canyon, I understand, live many established and budding writers and artists of all descriptions, as well as the more earthy wage-earners like myself.

This canyon must surely be one of the unique spots in the United States. It looks like Spain (I've never been there) or Italy (I've never been there, either).

Now, inevitably, I must turn to some of the things that are not particularly impressive.

The smog, of course, is the bane of everybody's existence. It's a pity the warming sunshine and beautifully clear air must be polluted by acid gas.

Someday, I suppose, man-created smog will be whipped by man. In the meantime, as one discerning Sierra Madiran remarked, "We don't have to worry about the Russian here. We'll all be killed off by the smog before we go to war with the Reds."

Another disturbing facet of Sierra Madre life is the precarious position of our schools, caused primarily, I understand, by the defeat of the proposed school tax increase.

An observer driving through this delightful town, the majority of whose residents are obviously in the middle and upper income brackets, would be astonished, I'm sure, to learn the public schools have no music teacher, a dark cafeteria and no bus service.

And all because there isn't enough money to support what are considered educational necessities in some of the meanest towns!

Perhaps there were good reasons for voting against the tax increase? Maybe the issue was not presented properly? But I hope the situation will be remedied when the question is next placed before the voters.

All of which should be enough preaching from an amateur gadfly for one week.

No Increase Seen in School Tax Proposal

Sierra Madreans actually will pay nearly the same school tax rate next year even if the proposed increase is approved by the voters Jan. 31.

This was revealed by School Supt. Charles A. Skutt last Thursday at the second meeting of the Civic Affairs Assn. in the Sierra Madre School.

Equally important, Skutt explained, all of the proposed increase of 55 cents per \$100 of assessed valuation will go to Sierra Madre. It can be spent, if approved, at the discretion of the local School Board.

Our present school tax rate is 3.1314. Because of a reduction in the high school general rate, which goes to Pasadena schools, the 1955 figure, without the increase, will be 2.5780. Including the rate increase, taxes will rise to 3.1280.

Armed with this information, the association is planning a series of meetings to inform local residents on the tax election, hoping it will be accepted, according to John Curtis, president.

"Sierra Madre is a progressive city of proud people," said Curtis. "I cannot possibly imagine their failure to rise to the necessary support of their public schools next Jan. 31."

"We will bring the issue squarely to the attention of all citizens and organizations. This done... we have full faith in the right decision of Sierra Madre."

Members of the steering committee appointed last Thursday to draft campaign plans are Jack Dewar, Leland Marsh, Aaron Glaser, H. Noel Deutch, James McCoy, Mrs. Paul M. Sheldon, Mrs. Claude Brown, Felix Gibbian and Clifford Sweet.

Small meetings will be held in homes with qualified speakers available to lead discussions on the tax proposal.

The association's goal is to restore school services—the cafeteria, music and buses—which we cut when voters last June defeated a proposed 55-cent tax increase.

Even if approved, taxes will

not be available for nearly a year to bring back the services and to start a badly needed repair program, Superintendent Skutt warned.

The increased rate for city schools, he explained, could not go on the tax rolls until July and then would not be payable until December.

"Unless the tax is approved, further curtailment of the educational program here will be necessary," Curtis said. "Half-day sessions probably will be instituted."

The present tax rate for city schools is 90 cents. The new rate, if the election is successful, would be \$1.45.

Five Sierra Madreans Leave For Uranium Hunt in Arizona

By SEWALL CLARK

There was more than the usual crowd at Jerry's Cafe yesterday morning because people kept coming in and out, all of them asking the same question: "Where are they?"

The proprietors, Bernice Purcell and Marie Chaffe, said they didn't know but they hoped nothing had gone wrong because they had been planning for a long time to present Sierra Madre's five uranium hunters with a big breakfast to start them on their way.

After a while the address of the little cafe, 24 W. Sierra Madre Blvd., became a meeting place for doctors, lawyers, insurance men, merchants in general, and some of the oldest residents in town.

Besides the last-minute details that had to be arranged there were a lot of people who just wanted to say goodby and wish good luck to the five adventurers: Eugene "Beans" Colbert, Dwight Meyer, Clinton "Babe" Dodge, Ben McGee and Don Scollay.

It was almost noon by the time the overseas Army ambulance, converted into a truck stacked with camping equipment, appeared on the boulevard. Because it was towing a

ARTHUR RITTERATH WINS FLAG AWARD

Arthur Ritterath, sales director of Sierra Engineering here, was awarded the first lieutenant's flag of the Pasadena Power Squadron, at the executive meeting Monday night.

Peter K. Rogers, squadron commander, cited Ritterath for his participation in teaching and administration of the free power squadron courses given at the Pasadena City College Tuesday nights. Mr. Ritterath is in charge of and instructing a course in advanced piloting.

In addition to Mr. Ritterath's squadron interests, he acts as commodore of the San Gabriel Valley Sea Explorers, a branch of senior scouting.

The class is available to those who have completed courses in elementary piloting and seamanship.

jeep, laden with mining tools, the police had decided the boys should park parallel to the curb—provided they didn't take all day to have breakfast.

The men apologized for being late, but there had been a final checkup at the Shell station where Bob La Lone had discovered a leak in one of the extra gasoline containers and "Beans" had decided to install an added safety measure for towing the jeep.

Besides, as one spectator commented, "The uranium boys had been planning their expedition for almost a year. What difference did a few hours make?"

Just before the men left, one more shareholder in their grubstake paid cash, bringing the present total to \$700. Other well-wishers, besides investing \$100 each, have presented them with extra tents, stoves, guns and other equipment for their mineral-seeking adventure.

That was why, when the final goodbyes were said and the truck was headed toward southern Arizona, it looked as if the men had enough of everything to establish a little city of their own.

What happens in that "city" will be told exclusively in The News in the weeks to come.

DOLLAR DAY CALLED A GREAT SUCCESS; PLANNED EACH FALL

Dollar Days, with its accompanying Community Breakfast and Hobby Fair, was by all accounts this year a great success.

Stores were packed with customers and many of the latecomers discovered that the prize items for sale had been all sold out. Approximately 600 breakfasts were served at the Community Breakfast, which was made possible through the cooperation of local merchants and national manufacturers.

The Hobby Fair also was well received, as several hundred residents sauntered through the City Park where group and individual exhibits were on display.

Robert Green, general chairman of the affair, reported it was so successful that the Chamber of Commerce, the sponsoring organization, hopes to do it all over again—every year.

The top photograph, by Al West, shows the display of the Girl Scouts in the Hobby Fair, one of the top ones in the exhibition. The picture at left depicts the Community Breakfast chow line. Shown serving pan-cakes and sausages are, from front to back, City Administrator Lawrence Bevington, Robert Lane, Emil Smith and Tony Cavalli.

Semanons to Get Director

The Youth Activities Assn. decided at its meeting Tuesday night to hire a full-time director here for the teenagers' Semanon Club.

The decision was made after Mrs. Wayne Stinnett of the Civic Club suggested that her organization could provide some of the financial assistance necessary to employ a director.

The director is scheduled to be chosen from a list of candidates on Oct. 25 at the Youth Activities Assn. meeting. The association is the Semanon's sponsoring body.

Frazier Dougherty, association member, pointed out that parents must still cooperate.

"The hiring of a director," he said, "should not be interpreted as excusing the parents of teenagers of all responsibility because they no longer would have to chaperone at the clubhouse."

"The parents would have to participate in all ways. This is not a publicly financed baby-sitting project."

Dougherty also announced that questionnaires mailed to 150 parents by the association last week may be returned to his home at 509 W. Grandview.

MRS. VIRGINIA DAVIS RITES TOMORROW

Mrs. Virginia Shippey Davis, who had lived in Sierra Madre most of the last 25 years, died Tuesday.

She was 82 years old and had been in ill health several years, being hospitalized the last two years. Her home was at 341 Auburn Ave. The funeral will be from the Episcopal Church Friday morning at 11, conducted by the Rev. Harley Smith.

Mrs. Davis was born in Memphis, Tenn., and had been living in California since 1919. During World War I she was secretary to Gov. Arthur Capper of Kansas and then to Gov. Henry Allen, and suffered a breakdown under the tension of war work. She is survived by a sister, Miss Louisa Shippey, and a brother, Lee Shippey.

Chest Starts Annual Drive For Funds

Goal Set at \$8,000;
Higher Than 1954

With solicitation in the business section this week, the Sierra Madre Community Chest is launching its second annual campaign for funds to support local youth and welfare agencies.

The goal this year is \$8,000, greater by \$500 than that set and attained a year ago, and one of the largest sums ever sought in one appeal in Sierra Madre.

Starting next week, following a coffee hour and briefing at 9:30 a.m. Monday, Oct. 17, in the Congregational Church basement, some 200 volunteer workers will begin contacting every family in Sierra Madre to acquaint them with the scope and work of the Chest-supported agencies, and to receive contributions from Sierra Madre residents.

The special gifts, business and residential solicitations all are under the general chairmanship of Attorney Newell Barrett, serving for the second year as fund campaign chairman.

He is a member of the local Chest's board of directors whose president is Edith T. Dane. Mrs. Percy C. Kortkamp is chairman for the coffee hour Monday.

Assisting Barrett in canvassing local business houses are Tom Schwartz, Harry Lange, James Wolfe, Leland Marsh, William Bodley, Aaron Glaser and Mrs. Betty Johnson.

Workers in the residential canvass have been provided by volunteers from the Chest member agencies, which are the Boy Scouts of America, San Gabriel Valley Council, Campfire Girls, Civic Club's Toy Loan, Community Nursery School, Family Service of Sierra Madre, Girl Scout Council, Santa Anita District YMCA and the Visiting Nurse Assn., Inc.

Official campaign headquarters, located at 94 N. Baldwin, CU-5-6226, are staffed by Mrs. Alice Herrold, campaign secretary.

SPUD SO BIG AS PUMPKIN, YET

Sweet potatoes so big as pumpkins, yet!

Well, that's almost the record of William Kellow, 169 N. Lima. About three and one-half months ago, Kellow planted a small patch of sweet potatoes behind his house.

Last week, to his astonishment, he unearthed one that is 17½ inches in diameter.

Quite a potato—sweet or Irish. And like Topsy, Kellow's potato just grew.

City Businessmen Ask Parking Restrictions on Main Boulevard

Six Sierra Madre businessmen petitioned the City Council Tuesday night to restrict parking to one hour on Sierra Madre Blvd. between Lima St. and the Woman's Club.

The businessmen, protesting that day-long parking constituted a hardship on their customers, noted that parking in the downtown district of the city is limited to one hour during business hours.

The petition was referred to Police Chief Gordon McMillan, who is making a detailed study of Sierra Madre traffic conditions. The Automobile Club of Southern California is making a similar study.

Those who signed the petition are John H. Curtiss, Sierra Madre Real Estate; Sam Simpson, Simpson Cleaners; Robert Osti, Osti's Landscape Nursery; David S. Roess, Roess Market; Edwin G. Meyer, Meyer Television, and the Webster Insurance Agency.

Name Reserve City Policemen

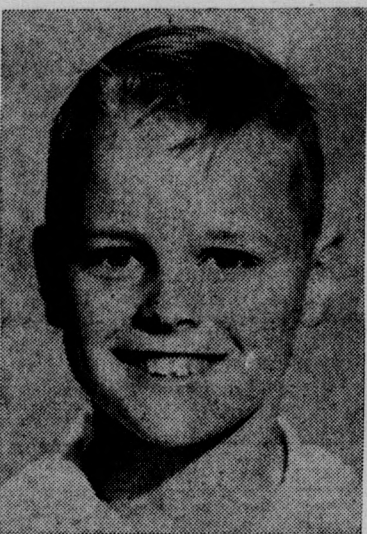

Eight persons were authorized to serve as reserve policemen at the City Council meeting Tuesday night.

Recommended by Police Chief Gordon G. McMillan, the appointments, without pay, went to:

Oliver P. Arnold Jr., John M. Avedeslan, Rudolph H. Behrens, Leon D. Dame, Gale L. Hersey, Robert C. Michael, Andrew P. Nilles and Donald L. Matson.

Chief McMillan's request read, in part: "They must subscribe to the oath of office and will have the full power and authority of peace officers as provided by law and that they (will) serve without pay under the direction (of the police chief)."

The reserve force also will belong to the Civil Defense and Disaster organizations in Sierra Madre.

TOW-HEADED Terry Trousdale, 11½, was the winner of the bicycle given away during Dollar Days last week by Roess Market. Terry is the son of Mr. and Mrs. Lloyd F. Trousdale, 400 W. Highland. He has a brother, Barry, who is 8 years old.

Success Marks Blood Drive

The visit of the Red Cross Bloodmobile to Sierra Madre last Wednesday was reported an outstanding success by Mrs. Ralph M. Jones, chairman of the local blood program.

The professional and volunteer staff working at the Woman's Club received 135 donors, from whom 115 pints of blood were collected.

Those who contributed the final pint to make a total of a gallon of blood donated to the program were Claude H. Brown, William E. Bodley, Dr. Daniel D'Arcy, Mrs. Ruth Morrison, Flint Stenden, Thomas J. Robertson, Mrs. Ravena Behr and Mrs. Baybelle Stine.

Under the proposed increase, a present bi-monthly bill of \$2.50 would be increased to \$2.75. A bill of \$3.70 would jump to \$4.15; \$4.70 to \$5.55, and \$5.70 to \$6.95.

Increases would start at 10 per cent, increase to 24.6 per cent and then decline to 10 per cent.

The second reading of the ordinance boosting Sierra Madre's water rates 10 to more than 24 per cent was postponed for at least seven days, in addition to the 30-day waiting period after the second reading.

This in effect delays an increase in the rate to consumers for at least seven days, in addition to the 30-day waiting period after the second reading.

Both Mayor James and Councilman Lorne Pratt expressed doubts about the fairness of the proposed new rates. The other three councilmen, led by Harold Roberts, argued that the increase had been studied thoroughly and is as equitable as is possible.

All the councilmen, however, agreed that higher water rates are necessary if the city is going to repair and maintain its pumping system.

From now until the next meeting Oct. 18, councilmen will review the new rate structure and continue their study of the new report prepared by City Administrator Lawrence Bevington.

The report outlines the city's water needs for the next 10 years and sets up a system to meet those needs.

Bevington, who has spent much time and effort studying the proposed new rate system, said that Sierra Madre's minimum and maximum rates at present were near or higher than the average maintained by many other cities in this area.

The medium rates, however, are much lower, he added. This is why the new system appears to increase unfairly for medium consumers, Bevington explained.

It is on this point that most of the opposition—including that of Mayor James and Councilman Pratt—is centered.

Six letters were read at Tuesday's meeting protesting the contemplated rate boost.

A letter from Mother M. Tarcissia of the Sisters of St. Francis, Mt. Alverna, 240 Wilson Ave., said that the new rates would "impose a great hardship on us." The convent is one of the city's highest consumers of water.

Other letters of protest were sent to the council by John L. Fitzgerald, an attorney with offices at 38 N. Baldwin; Serafino Fracacoroli, a nurseryman of 629 E. Grandview; Ira A. Brown, 168 N. Mountain Trail; Leland M. Evans, 156 N. Baldwin, and Charles N. Portland, 633 E. Grandview.

Under the proposed increase, a present bi-monthly bill of \$2.50 would be increased to \$2.75. A bill of \$3.70 would jump to \$4.15; \$4.70 to \$5.55, and \$5.70 to \$6.95.

Increases would start at 10 per cent, increase to 24.6 per cent and then decline to 10 per cent.

CLASSIFIED RATE, EXPANSION TOLD

The Sierra Madre News has two important announcements to make today regarding circulation and classified advertising.

Starting with next week's issue, The News will be circulated throughout Hastings Ranch each week. Every home will get a copy.

Starting today, the classified advertising rate will go up to 20 cents a line, with a minimum insertion rate of 60 cents.

That's an increase of only 5 cents. We're sorry it's necessary, but an examination of the rates of other papers of comparable circulation shows that The News' rate is too low.

The new rate, of course, will not immediately affect classified advertisers whose ads were ordered before today and still have one or more weeks to run.

Again, we're sorry the higher rate is necessary.

Lee Shippey asks

What Do You Think?

Miss Hope Spring—may she be eternal—inform me that the name of the famous playwright I couldn't recall in last week's column was Tully—Richard Walton Tully, if memory isn't tricking me.

Anyway, when I came to Sierra Madre in 1927 the home address of the playwright, as given in Who's Who, was Sierra Madre. When I tried to look him up, though, I was told he was in the East at the moment. Later he and Anita Baldwin collaborated in another play, during which time he was here. It was not the great success that "Bird of Paradise" was but it was produced with éclat.

There must have been many other writers of distinction for whom Sierra Madre has some right to feel kinship.

John Muir certainly loved our mountain trails and must have frequented our town, though he never lived here. Sierra Madre Villa was Helen Hunt Jackson's base of operations while she gathered material for "Ramona"—and Holling Clancy Holling, creator of the most beautiful and informative books for juveniles in the American scene today, lives there now.

James Hilton used to love to come here and hike our trails. And I wonder if Gutsum Borglum didn't do any writing while he lived here. Eugene Field was for some time the guest of Dr. Norman Bridge here.

If Harold Carew, beloved by many writers and author of "History of Pasadena and the San Gabriel Valley," were still alive I'll bet he could tell us of a number of noted writers who got some of their inspiration here. And can't we claim Jim and Maggie Richardson, who live in the Oaks but belong to us more than to Arcadia?

Incidentally, "Pueblo Boy," the motion picture to be shown at the Library tomorrow evening, will be worth seeing.

Back to writers, Bob Foote knows more about the current

comp than does anyone else, and for years the New York Times regarded Bob as its main source of information hereabout. He wrote a great deal for that most excellent newspaper, which means that he writes exceedingly well.

So far as I know, Bob has always been too busy to write any books, but he has been the guide, counselor and friend of all who did. Harlan Ware, Richard Armour and many others have slipped wisdom—among other things—at Bob's.

I have long held the conviction that the newspaper writer has far more to do in influencing our daily lives than have all the writers of big books. He gives us our daily bread on which our minds exist. A novelist who reaches 200,000 readers in a year is doing well.

But think how many a department editor or columnist reaches, every week or every day. The total runs into millions. And many cannot live by cake alone—he has to have his daily bread, his daily mental pabulum to keep his mind alive.

COAST GUARD'S CONTRIBUTION TO THE NATION

By VICE ADMIRAL ALFRED C. RICHMOND
Commandant, United States Coast Guard

(Guest Columnist for Representative Edgar W. Hiestand)

The United States Coast Guard has played an important role in the defense of this nation since 1790. It has maintained the security of our national shores, both in peace and in war.

Fourteen years after the United States declared itself an independent nation the first congress on Aug. 4, 1790, authorized the secretary of the treasury, Alexander Hamilton, to purchase and equip 10 vessels for "securing the collection of revenues." From this modest beginning has grown the present U.S. Coast Guard which has served the nation with distinction in peace and war over the past 165 years. Throughout this history, Coast Guard officers and men have maintained a tradition of service to humanity.

In time of peace, the Coast Guard, under the Treasury Department, is an agency for the protection of life and property as well as for maritime law enforcement. Some idea of the size of the Coast Guard's peacetime job may be gained by reviewing its major activities:

Promotion of safety and efficiency in the merchant marine; inspection of merchant vessels and enforcement of regulations for motorboats; operation of aids to navigation; rescue and aid of persons, vessels and aircraft in distress; operation of ocean stations, and the International Ice Patrol.

In time of war, under the Navy, the Coast Guard goes into immediate action as one of the nation's fighting forces. But in war and peace, the Coast Guard remains a branch of the armed forces at all times.

Most Coast Guard officers are trained for their profession at the Coast Guard Academy near New London, Conn. Constructed at a cost of more than \$2,000,000, the academy was moved to its present home in 1932. Facilities were expanded at equal cost just before World War II.

During their stay at the academy, cadets receive an intensive course of instruction which includes navigation, engineering, communications, seamanship, ordnance, government, English, and advanced mathematics. Upon graduation, cadets are awarded a bachelor of Science degree and a commission as Ensign in the Coast Guard.

Entrance to the academy is limited to a highly selected group of young men capable of meeting rigid physical, mental, and moral standards. A nationwide competitive examination to determine appointments is held in the latter part of February each year in over 100 cities.

Operations of the Coast Guard in fiscal 1955 were directed mainly towards carrying out its peacetime functions. The following statistics indicate the volume of law-enforcement activity during the year:

Vessels and motorboats boarded, 83,323; reports of violations of port security regulations, 2,695; permits to load or discharge explosives, 1,473; total tonnage of explosives covered by permits, 363,194; explosive loadings supervised, 1,469; regattas patrolled, 801; merchant mariners' documents issued bearing evidence of security clearance, 18,826; waterfront workers screened for security, 30,668.

To answer 19,045 assistance calls, the Coast Guard used a system of 143 lifeboat stations, together with communications centers, bases, vessels, and aircraft at strategic points along the coasts and inland waterways. Lives saved or persons rescued from peril totaled 3,242.

These figures are not complete, but they indicate that the Coast Guard is a very busy organization. Indications are that the scope of Coast Guard activities will grow even wider in the years ahead.

Coast Guard Exams Planned

Rep. Edgar W. Hiestand announced this week that examinations for entrance to the U.S. Coast Guard Academy will be given in several California cities, including Los Angeles, next Feb. 27 and 28.

To qualify for the next examination a candidate must be single, must have reached his 17th but not his 22nd birthday by July 1, 1956, and must be in excellent physical condition.

Although a high school diploma is the minimum educational requirement, high school seniors assured of being graduated by June 30 are eligible to take the examination if they will have at least 15 credits by that time. All applicants must have three units of English, two of algebra and one each of plane geometry and physics by graduation.

Rupert Deese Exhibit Is Work Of Craftsman; Ivan Display Slim

By HOWARD WHALEN
Member Exhibits Committee,
Friends of the Library.

Two top-flight California potters are showing in the cases this month at the Sierra Madre Library. Rupert Deese, the better known of the pair, dominates the exhibit with about 45 pieces. Anthony Ivin, because of other commitments, sent only three pieces.

Rupert Deese is one of those rarities, an artist who makes his living as an artist. He does not compromise his taste for the market (or if he does, it's unnoticeable) nor does he hire assistants to speed up his output.

He has slowly but soundly built a reputation as top designer-craftsman. Deese creates with the eye of a sculptor and the practicality of an engineer. This is the essence of good designing. His shapes are clearly conceived and executed with a warmth and intimacy that you find only in the works of the "individual" craftsmen.

Though Deese's basic forms are cast in molds, his manipulation of surfaces and "lips" and deftly handled decoration gives each finished pot that "personal" feel. His pottery will hold its own, either as a decorative object or as a functional accessory.

Unlike the Scandinavians who have always held a special spot in the world of crafts, we perhaps have not developed a "national characteristic" in this country. They have earned their reputation by consistent leadership in the creation of fine pottery, metal, glass, textiles, etc.

The Scandinavians are geographically and culturally closely knit while we in America, a "mulligan" of cultures, are spread over a large area

and are relatively "upstarts" in the art world. There are, however, in this country individual artisans, in the various fields mentioned, who are on a par with the best of their foreign counterparts. Rupert Deese is one of these.

His work has a "character" of its own. This display (with the exception of two or three pieces which I suspect were experimental) holds together; there is a homogenous quality. A single creative mind engineered each and all.

Deese's shapes are subtle and his decor is suave. Because of this, they probably will not "bang-you-in-the-eye." It takes a degree of exposure to "pick up" on the rich glazes and tasteful decoration. He uses no gimmicks. This is good, sound "potting," artistically directed.

The work, from start to finish, is neat—the product of an orderly, thoughtful mind. The insides, the bottoms—there is not a neglected or careless spot. This is Deese—thoughtful, meticulous.

His shop is neat and efficiently planned. His molds are as carefully made as his ware. He handles each new-born pot as though "this was it."

On the basis of Tony Ivin's limited display, his work cannot be too honestly measured. He is a competent potter, at the least. There is the hint of an imaginative mind behind the stem-handled jar. He reveals a true respect for his materials and methods, a pleasant plastic quality of good "hand-thrown" pottery and the rich textural feeling of glaze and stoneware body fired a terrific heat, which fuse and become "one."

Perhaps later on we may have a more comprehensive Tony Ivin show.

PTA Carnival Here Slated For Oct. 29

The Sierra Madre PTA will hold its annual Fall Carnival on the Sierra Madre School grounds on Oct. 29 from 4 to 9 p.m.

This year's carnival will be "Know Your Neighbor" with an international theme being used as a basis for costumes and concessions.

Mr. and Mrs. Phillip Del Valle are the carnival chairmen and have selected the following committees to work with them:

Mrs. Charles Fretz, activities; Mr. Jack Walker, facilities; Mr. and Mrs. Paul Tate, publicity; Mr. Ray Obazawa, finance; Mr. William Kindrick, procurements and cleanup; Mrs. Martyn Rountree, special adviser to the chairmen.

A poster contest will be held in the local schools with carnival tickets being awarded to the winners in each classroom. The posters will be on display in the local store windows.

The proceeds of this fall carnival will be used to finance a PTA welfare fund, class parties, PTA publications, the "Back to School Coffee Hour," to which all parents are invited, refreshments being served after the regular PTA meetings.

This year the PTA will try and support a school Christmas program to substitute for the loss of the music teacher so the children will not have to sacrifice their traditional Christmas program.

This year, too, the PTA is trying to increase the net proceeds from the carnival to give more support to the local school in any way possible.

The man who meets with no opposition meets with little success.

Robert P. Jennings Invited to Claremont

Mr. and Mrs. Robert P. Jennings, 410 N. Michillinda, members of the Pomona College Associates, have been invited to the first 1955-56 dinner program of the organization on the Claremont campus Sunday. Jennings is a trustee of Pomona College.

Dr. Clinton Rossiter, professor of government at Cornell University and chairman of the Fund for the Republic Committee Investigating Communism in the United States, will be principal speaker at the dinner. His subject will be "The Current Political Scene."

Old Friends Salute Mrs. Mary D. Caley On Her 94th Birthday

Mrs. Mary D. Caley, a resident of Sierra Madre since 1895, celebrated her 94th birthday on Oct. 6. Many old friends dropped in with good wishes, flowers, gifts and cards.

Mrs. Caley, who is the widow of William P. Caley, Sierra Madre's first city marshal, has seen many changes in this city in the past 60 years.

She first lived in a cottage in an orange grove on the site of the City Hall. Her second residence was in a cottage in an orange grove on the site of the Safeway Store.

In 1898 she moved to the family residence at 233 Ramona Ave., where she has lived ever since.

Living with her are her two daughters, Mrs. Hilda Noble and Mrs. Maybelle Barker, and granddaughter, Miss Nadine Noble. Mrs. Caley is a charter member of the Sierra Madre Woman's Club and of the Congregational Church.

The fellow with a scheme is not looking out for your interest.

Teens' Club Needs More Active Support

By Judy Haymaker

Anyone sincerely interested in the fate of our local teenage club has followed and realized the critical situation we are in at present.

There is a reason for the complaints of the parents and members. As the elders put it, the Semanon Club is located outside of the "Old Adobe," and the occasional blurred shadows sinking in and out of the narrow doorway seem oblivious of the register and the NO SMOKING sign in the main room.

This is only because our club has so far put forth no effort to create interesting activities that a teenager can fully enjoy.

We want and need people like Bob Vis and Bob Strieter, two of Sierra Madre's most ambitious teenagers, and owners of the famous Cider Creek. Where are these artists hiding? Yes, the dance already has a set date, Nov. 12. Remember, anyone between 13 and 19 cannot afford to miss it.

Wouldn't you know it? I almost forgot to mention the unique talent of Ralph (Pudgy) McDonnell, another one of our 108 members.

Pudgy guarantees "professional" lettering on the back of tankers or leather jackets. He will spell one word—SEMANON—for you, and that's the only one he prints. If I know Pudgy, he'll give you special rates for the job, so how about it?

Last Friday we held an elimination contest for "Miss Semanon of 1956." The winner, to be chosen from the top four, who are Shirley Cook, Terri Doan, Mary Kiggins and Dorothy Neumann, will have an opportunity to compete for the Rose Queen of Sierra Madre and numerous other events before her reign is over.

John Marshall Plans Dance Program for Current Semester

The social dance program at John Marshall Junior High School begins this month with afternoon dance classes already in progress and three social dances scheduled for the latter part of the month.

The program, which is sponsored jointly by the John Marshall PTA, grade level student representatives and faculty advisers, will consist of four junior dances (seventh and eighth grades), four senior dances (ninth and tenth grades), monthly square dances and the afternoon dance classes of 10 lessons.

To date, 285 students have enrolled in the afternoon classes and 127 have signed up for the square dances. Forty-five parent couples will serve as sponsors at the dances.

Dances will be held on Friday nights in the girls' gym, the first to be a square dance tomorrow evening from 7:30 to 9:30. The senior dance will be held Oct. 21 and the junior dance Oct. 28.

Redwood Fire Walls

The terms "incombustible" and "fire resistant" have been so widely and loosely used that their meanings have become confused.

Redwood is not incombustible; it will burn. But Redwood is fire resistant, due to the lack of resins and oils in the wood. It does not ignite easily, and once ignited, it burns slowly.

A Redwood fire wall will stand through extremely high temperatures and protect the property beyond, even though the fire is so intense that incombustible structural steel members buckle and allow the rest of the building to collapse.

Redwood fire walls are usually of crib construction, built of 2x4, sometimes 2x6, with pieces spiked together vertically making a 4 or 6 inch thick wall. The construction is not expensive and has proven effective.

Twenty-fifth Anniversary Observed By Anoakia at Parent-Faculty Dinner

A birthday cake with 25 candles, a speech on the history and tradition of Anoakia School by Mrs. Winnifred Howland Johnson, former principal and a member of the Board of Trustees, set the stage for the annual parent-faculty dinner at Anoakia School, 701 W. Foothill Blvd., Arcadia.

Mrs. Anthony Irwin, president of the Mothers Club, introduced Joseph Mullender, president of the Fathers Club; Mrs. Reaford B. Haney, vice principal, and Mrs. Paul Bowerman, principal, who spoke to the guests.

Anoakia School was originally known as the Flintridge School for Girls. Twenty-five years ago the first campus was located at 4249 Oakwood Ave., Flintridge. Miss Gladys Rankin was the first headmistress. In 1935 the school moved to Kinneola Ranch.

In 1941 the school moved again to its present location in Arcadia, on the 20-acre estate of the Anita M. Baldwin. Here

it adopted the name of "Anoakia," the registered name of the estate, signifying "Anita's Oaks."

Over the years, prominent Pasadenans have been connected with the school. Doane M. Lowery, president of the Flintridge School for Boys, was one of its first trustees. Lowry B. McCaslin of Flintridge is the present chairman of the Board of Trustees. Mrs. Edna Marrett Wilcocks, art director of the school, has spent 20 years in the service of Anoakia. Mrs. Stella Oris is entering her 13th year with the school.

This year the fifth and sixth grades have been added to the school. The future goal of the school is to offer continuous grades from nursery school through high school to the many San Gabriel Valley communities.

Alpha Chi Omegas to Have Open House At U.S.C. Chapter House October 15

Epsilon Chapter of Alpha Chi Omega at the University of Southern California is planning a triple celebration at the chapter house, 813 W. 28th St., on Saturday, Oct. 15, from 2 until 5 p.m.

Invitations have been extended to the active members of the sorority, the 2,500 local alumni and civic and university officials to join in the celebration of the burning of the mortgage on the U.S.C. chapter house, the anniversary of Alpha Chi Omega's 60 continuous years at the local university and Founder's Day which will honor the founders of the national organization at De Pauw University, Greencastle, Ind.

Decorations for the open house will be carried out in the traditional colors of the sorority, scarlet and olive green, and the mortgage burning theme. The mortgage will "burn" all afternoon in the centerpiece, an epergne of flowers and dry ice. Carnations, the sorority's flower, will be used profusely throughout the decorations.

Alpha Chi Omega was the first sorority at U.S.C. to build its own chapter house, first to require attainment of a scholastic average for initiation, first to appoint alumni advisers to collegiate chapters and first to establish a central office.

Cerebral palsy victims are the national philanthropy of Alpha Chi Omega. Chapters and alumni of the sorority have contributed over \$100,000 since 1947 in addition to the amount given by the national organization.

Among those alumni in the Sierra Madre area are Mrs. Myron C. Smith, Mrs. Bernard Tumilty, Mrs. Jack Paschall, Jr., Mrs. Charles Bozarth, Mrs. Elwood Lane and Mrs. Harry Masser, Jr.

You'll still have cleaning up to do... but it's a much easier job when you do your cooking electrically. You'll be amazed at the way pots, pans and other utensils remain bright and shiny without scrubbing or scouring. Electric heat is the cleanest ever... it lets you cook every day and still keep your "kitchen police" duties down to a comfortable minimum. Kitchen walls and ceiling stay cleaner longer, too, so you save on redecorating.

Electric cooking is for you:
it's so much better... yet it costs so little!

Cady-Davis Nuptial Rites Oct. 1 In Christian Chapel of South Gate

Jeri Theome Davis, daughter of Mr. and Mrs. H. Theodore Davis, former Sierra Madreans now living in Huntington Park, became the bride of Daniel Byron Cady, son of Mrs. R. Collins Cady of Huntington Park, Oct. 1 in Christian Chapel of South Gate at a double ring ceremony. Dr. Ray Jarman officiated.

The bride, given in marriage by her father, chose a Cahill classic ivory satin gown fashioned with a long moulded bodice. The full skirt was over hoops and fell into a graceful sweep. The French illusion veil was held in place by a crown of pearls and sequins. She carried a bouquet of white phalaenopsis and stephanotis centered with white orchids.

Linda Kay Davis, sister of the bride, was maid of honor. Her emerald green antique taffeta frock was accented with velvet trim. Velvet and net were used in the matching headpiece and she carried a bouquet of green spider chrysanthemums and stephanotis.

The bridesmaids, Carol Ann Zerwekh of Arcadia and Molly O'Donnell of Sierra Madre, wore similar bronze antique taffeta dresses and carried bronze spider chrysanthemum bouquets. The bride's flower girl wore a pastel green crystalline dress and a matching net hat.

Jeffrey and Teddy Davis, nephews of the bride, were ring bearers.

William Hoard, Jr., was best man and the ushers were Richard Geyer, Charles Johnston and Jack E. Davis, brother of the bride.

Russell Peterson, soloist, sang

"Because" and "Lord's Prayer." The bride's mother wore an emerald green taffeta gown with matching accessories and a rust cymbidium corsage.

The groom's mother was attired in a gold antique taffeta ensemble with matching accessories and her corsage was of green and rust cymbidiums.

Suzanne Dike was the guest book attendant.

The reception for 325 guests in the Chapel Hall included Mr. and Mrs. Carl Hansen, Mr. and Mrs. Carl Hobson, Mr. and Mrs. Jack Fetter, Miss Doris Fetter and Miss Karen Fetter, Mrs. Hilda Johnson, and Mrs. Marjorie Ellis, all of Sierra Madre.

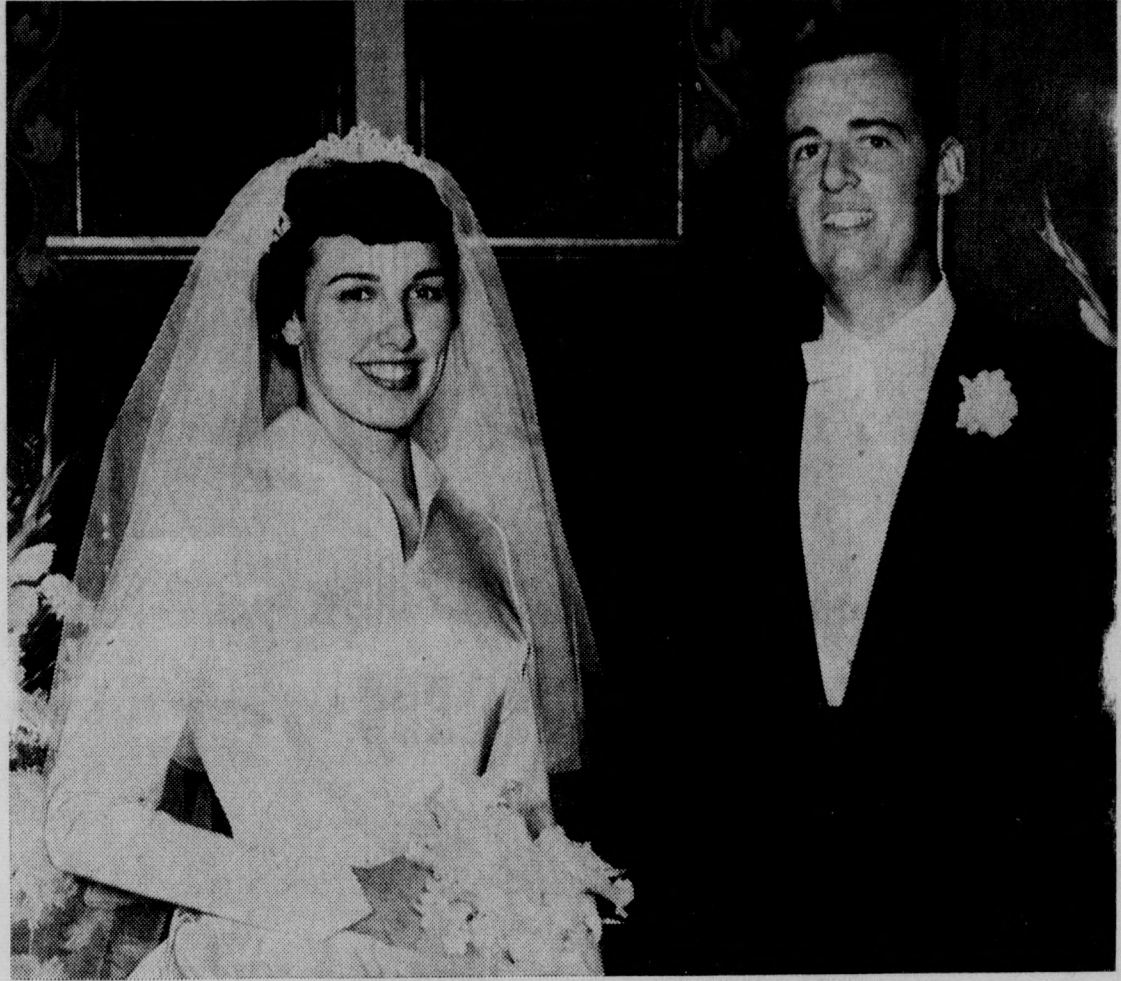

Following a honeymoon at Lake Arrowhead the newly married couple will make their home in Huntington Park.

Young People to Attend Concerts Oct. 16 in Pasadena

The Pasadena Civic Symphony Orchestra will once again present a young peoples' concert Sunday, Oct. 16, at 3 p.m. in the Pasadena Civic Auditorium. This event will be offered free of charge to school children of the San Gabriel Valley in the third through the eighth grades.

The hour of music will feature symphonic compositions by Massenet, Sibelius, Dukas, Beethoven, Prokofiev, Mozart and Gould. Dr. Richard Lert and Lauris Jones will be conducting.

Various numbers from the mentioned great composers have been selected with special appeal for a youthful audience.

MR. AND MRS. DANIEL BYRON CADY exchanged nuptial vows Oct. 1 in Christian Chapel of South Gate. The bride is the former Jeri Theome Davis, daughter of Mr. and Mrs.

H. Theodore Davis, former Sierra Madreans now living in Huntington Park. The groom is the son of Mrs. R. Collins Cady, also of Huntington Park.—(Mel Jones Photo.)

Sibelius' Scherzo from the Second Symphony, a bassoon quartet by Prokofiev and variations on "Johnny Comes Marching Home" by Gould are to be included in the program.

Mrs. Francis E. Schlueter and her committee of the sponsor-

ing Junior League of Pasadena have been working in cooperation with the Pasadena Civic Music Assn., Pasadena City Schools, Pasadena PTA and the City of Pasadena, to present this youth concert.

In past years the event has

been a huge success and all interested in attending the coming event are advised to be at the auditorium when the doors open at 2:30 p.m.

Boy Scout News

Parents of new members of Cub Scout Pack 381 met Oct. 5 at the home of Cub Scoutmaster Jack Christensen to become acquainted with the pack committee. Main business of the evening was the appointing of new den mothers, filling committee positions, and discussing possible locations for new dens.

Mrs. Helen Preston told of the training course which is available for future den mothers and said that she and Mrs. Dorothy Johnson are among those who intend to take advantage of the instruction.

Cub Scoutmaster Johnson asked for the assistance of fathers in committee work.

Along with Johnson, others who fill important positions are Assistant Cubmasters Bill Barnes and Don Daley, Arthur Bohart, secretary; Doug Spencer, treasurer; Mercer Duff, committee chairman; Larry Lydick, advancement chairman; Don Jackson and Andy Coscia, programs; John Goodall, activities; Louis Lares, transportation; Phil Potter and Morgan Hammers, finance.

As a result of their new organizing those associated with Cub Scout Pack 381 anticipate a successful year ahead and believe that other interested parents will be proud to assist whenever asked.

Leaders of the 449 Cub Scouts, Boy Scouts and Explorers, and their wives, of the San Gabriel Valley Council will let their hair down in a day of fun and fellowship to learn the pros and cons of successful Cub Scout program methods at the Second Annual Cub Scout Pow-Wow at the Santa Anita Turf Club on Oct. 29.

The Pow-Wow, an adult educational program patterned after seminar training sessions, will feature crafts, games, entertainment, exhibits and "do it yourself" activities.

The program will begin at 12:30 p.m. with registration under the supervision of Carlton Eckermann of Arcadia, and will end with a blue and gold banquet at 6:30 p.m. Clem C. Glass, famed KFI radio scoutmaster of the air, will be master of ceremonies.

Although all unit leaders and their wives will be guests of the association, all former scouts and adult leaders are invited to participate. Reservations for tickets may be made by calling SYcamore 3-9147.

LOCAL RESIDENTS TO ATTEND WORKSHOP

Ten members of the Sierra Madre Methodist Church plan to attend a district workshop and dinner meeting at the First Methodist Church of Whittier at 6:30 o'clock.

They are, in addition to the pastor, Dr. Chilton McPheeters, Mr. and Mrs. Harold Porter, Mrs. Fern Niedringhaus, Mrs. George Gilmore, Mr. E. C. Phillips, Mr. Fred Brerton, Mr. Ove Jensen, Mrs. Herbert Bauer, and Dr. George Frempter.

The chief purpose of the gathering will be to complete plans for Methodism's "March of Faith" program for 1956.

Children's Choir at Methodist Church

A cherub choir for children under eight years of age will be organized at the Sierra Madre Methodist Church this Sunday.

This group will meet at 11 o'clock with its activity being incorporated as part of the child care program conducted during the morning worship hour.

A "rhythm band" will be included as a part of the choir activity, using simple instruments furnished by the Sunday School.

St. Rita's Retreat To Start Friday

The ladies of St. Rita's parish are sponsoring their annual weekend retreat beginning this Friday, Oct. 14, through Oct. 16, at the Retreat House of the Sacred Heart, 920 E. Alhambra Rd., Alhambra.

All women, whether Catholics or non-Catholics, are cordially invited to attend this inspiring retreat, which will begin Friday at 7:30 p.m. and close Sunday at 4:30 p.m.

For further information and reservations call Mrs. James Burke, CUster 5-1720.

'LAW OF YOUR LIFE' IS TOPIC AT SCIENCE CHURCH

"The Law of Your Life" will be the subject of the Sunday sermon, at 11 a.m., by Dr. Ethel Barnhart, at the Santa Anita Church of Religious Science, 778 S. Rosemead Blvd., Pasadena.

DR. GROTH WEEKENDS IN MOUNTAINS; FATHER AWAY

Dr. George W. Groth Jr. spent the weekend in the High Sierras with Mr. and Mrs. Randolph Wood. Dr. George W. Groth Sr. is spending a vacation with his daughter, Mrs. Al Rochat, in Kenewick, Wash.

Bethany Pastor To Speak in Arizona Oct. 16

Dr. Robert Schaper, pastor of Bethany Church, leaves this weekend for a series of services in the First Baptist Church of Tempe, Ariz. Rev. Robert Warren is pastor of the church.

The services will extend from Sunday through Friday, Oct. 16-21, and are directed to the needs of the students of the University in Tempe. Dr. Schaper will also speak at the Youth for Christ service on Saturday in Phoenix and appear on a TV program there.

CITIZEN OF HOLLAND WILL TALK HERE OCTOBER 19

Mr. Jan Visser of Holland will speak at the Worldwide Wednesday prayer service of Bethany Church on Oct. 19. Mr. Visser was a member of the underground and was finally imprisoned in Holland during World War II, and has a thrilling story to tell of his experiences and escapes.

He is now in America studying for the ministry at Fuller Theological Seminary in Pasadena.

TWO WELL-KNOWN PASTORS AT SERVICES SUNDAY

This coming Sunday will bring two familiar preachers to the Bethany pulpit. Rev. Raeburn Woodson, assistant pastor, will preach at the morning service. Rev. Dewey Mulholland, former assistant pastor, now returned to America from his first term of missionary work in Brazil, will preach at the evening service and show colored slides of the work in South America.

SCOTTISH MINISTER GUEST SPEAKER AT BIBLE MEETING

Dr. David J. Laurie, outstanding preacher from Scotland, will be guest minister at Bethany Church for the Fall Bible Conference Oct. 23-28 at the church.

Dr. Laurie is a man of wit and ability, whose wide range of studies and experiences makes his preaching both inspiring and informative.

He was pastor of the famous Carubers Close of Edinburgh, Scotland, and also served churches in England. During the war he was assigned the task of feeding and clothing some 73,000 people at the evacuation of Dunkirk.

Rabbi Steckel Will Discuss '4th Century' At Services Friday

"The Beginning of the Fourth Century" will be the sermon by Rabbi Charles W. Steckel, spiritual leader of the Foothill Jewish Community Center, 212 N. Lima St., at this Friday night's services beginning at 8:30.

This evening, Miss Caren Jean Grossman will be honored upon her being Bas Mitzvah tomorrow morning. Her parents, Mr. and Mrs. Paul Grossman, 9711 E. Olive St., Temple City, will be hosts this evening after services in honor of the coming Bas Mitzvah.

Saturday morning services will begin at 9 o'clock. Miss Caren Jean Grossman will be Bas Mitzvah during the morning services. At all these services, Cantor George David will assist Rabbi Steckel by chanting the hymns and prayers.

Annual Meet Of WCTU Set

San Diego will be the host city for the 73rd annual state convention of the Woman's Christian Temperance Union and the Central Christian Church, Ninth and F St., the setting, Oct. 18-20.

The theme will be "Go Set a Watchman, Let Him Declare What He Seeth" (Isaiah 21:6). State President Mrs. Ruth Gates Miller of South Pasadena will preside and San Diego County President Mrs. Marguerite Day Alsford will act as general hostess.

Registration and official meetings begin Tuesday at 1 p.m. with the pre-convention prayer and praise service at 7:30 p.m. conducted by Rev. Grace Chaney, state spiritual life director.

Laymen to Take Over Services Sunday at Methodist Church

On Oct. 16 there will be over 100,000 preacherless pulpits in America.

Happily, this is no cause for alarm, for it will be Laymen's Sunday, and the laymen are "taking over" the regular church services.

Theme for the day is "Be Ye Doers." Fred Brerton, lay leader of the Sierra Madre Methodist Church, will be in charge of the service at 11 o'clock and deliver the laymen's message.

Assisting will be Paul Tate, with the call to worship and opening prayer; Ove Jensen, leading in the responsive reading; Jesse Albright, who will read the scripture lesson, and Dr. George Frempter, who will offer the morning prayer.

Last Sunday broke all records for Sunday School and church attendance. Continuing growth has necessitated the ordering of additional hymn books with immediate consideration being given to the problem of providing additional seating for the worship hour.

On Monday at 7:30 p.m., an open meeting of the Official Board will convene to consider plans and cost estimates for the

new sanctuary. Mr. Edwin Westberg, architect for the church, will be in attendance to present the plans and to answer any questions. Hope is held that actual construction may begin by the first of the year.

FUNERAL RITES FOR MRS. ISABELLE SMITH

Funeral services for Mrs. Isabelle Angell Smith, a resident of Sierra Madre for the past three years, were held at 10 a.m. Oct. 4 in Ripple Mortuary Chapel.

The Rev. Roy B. Davis Jr., formerly with All Saints Episcopal Church in Highland Park, officiated. Interment was in Mountain View Cemetery.

The Ford Thunderbird has set a new standard for fun and beauty. All 18 new Ford models share the styling of the Thunderbird. How they stir your heart with their thrilling lines!

The Fairlane Victoria is one of Ford's 18 new Thunderbird-inspired models for '56. You can see Thunderbird beauty in its long, low lines and graceful silhouette.

Drive it today!

'56 FORD...with new 202-h.p. Thunderbird Y-8

4 NEW LIFEGUARD FEATURES—new deep-center steering wheel, new double-grip door locks, optional new padded instrument panel and sun visors, and optional new Ford seat belts.

with new Thunderbird Styling
with new Lifeguard Design

A glance tells you that the '56 Ford has the long, low lines... the dazzling beauty of the fabulous Ford Thunderbird.

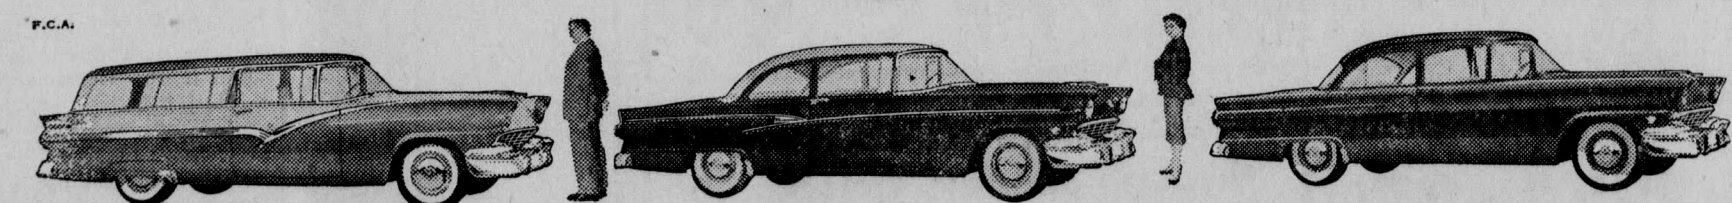

But wait till you touch the gas pedal! Then you'll know that Ford goes like the Thunderbird, too. With the new 202-h.p. Thunderbird Y-8 engine, available in Fordomatic Fairlane and Station Wagon models, you'll pass with new confidence, smile at hills.

And there's even bigger news! It is Lifeguard Design. With the cooperation of leading universities, medical associations and safety experts, Ford found that most serious accident injuries were caused by the driver being thrown against

the steering post, occupants being thrown forward against hard surfaces, or from the car. So, Ford developed a new Lifeguard steering wheel with a deep-center structure to help protect you from the steering post... Lifeguard double-grip door locks to give added protection from doors springing open under shock... optional Lifeguard cushioning for instrument panel and sun visors, to help lessen injury from impact... optional seat belts that help keep occupants securely in their seats.

Come in soon! See the '56 Ford, test its power, and learn what Lifeguard Design means for the greater safety of you and your family. Then you'll know exactly why the '56 Ford is...

the fine car at half the fine-car price!

Parklane, luxurious new 6-passenger "wagon" is one of six new and handsome Ford Station Wagons for '56.

Customline Tudor and its Fordor companion feature a new and distinctively contoured body molding for 1956.

Mainline Fordor is a refreshingly clean-lined beauty as are its "running mates" the Tudor and Business Sedan.

Don Benito School Halloween Carnival Promises Much Fun for All Attending

The Don Benito School Halloween Carnival scheduled for Saturday, Oct. 22, from 3 to 8 p.m. promises to be as successful and as much fun as in the years past.

Mr. and Mrs. Eugene Rode, general chairmen for the event, have announced there will be many booths, prizes and surprises. There will be a Hobgoblins' Parade for the students and dinner will be served in the new cafeteria starting at 4:30 p.m.

Mrs. Robert H. Grube, Mrs. Warren W. Milldrum, Mrs. Dayton A. Sells, Mrs. Edward E. Bignell, Mrs. E. John Caldecott and Mrs. William M. Caldwell will be in charge of the booths serving hotdogs, hamburgers, baked beans, coffee, milk, cold drinks and ice cream.

Mrs. Harry B. Langstaff will be in charge of the cake and/or pie a la mode booth; Mrs. Beverly Milligan will head the ring toss booth; the Cake Walk will be under the direction of Mrs. Leroy T. Anderson, and Mrs. Allen H. Pulsifer will be in charge of the movies.

Other booths will be headed by Mrs. Yolanda Schneider,

dart games; Mrs. Mary Stine, floating saucers; Mrs. Howell J. Farsworth, live fish bowls; Mrs. Orville J. Johnson, flame shoot; Mrs. Donald G. Mortensen, bowling alley; Mrs. Cecil Davis, bean bags; Mrs. Forrest D. Paxson, smashin' booth, and Mrs. Andrew J. Wynn, grab bag-fish pond.

Also, Mrs. Merrill L. Johnson, peanuts, popcorn and candied apples; Mrs. Frederick C. Hof-fine, basketball throw, and Mrs. Howard K. Forsberg, baseball throw.

The White Elephant booth will be directed by Mrs. Robert C. Fogel. All the neighbors are asked to gather up all their unwanted "treasures" for this booth and call Mrs. Fogel at Custer 5-3724.

Mrs. Robert D. Meason, chairman of the Story Book Doll booth, is asking for assistance in dressing the dolls. Anyone who would like the fun of dressing a doll should call Mrs. Meason at Custer 5-2024.

All pupils participating in the Hobgoblins' Parade are reminded to wear their costumes. Movies will be taken and prizes will be awarded.

Trinity Men's Club Seeks Furniture, Clothes for Family

The Men's Club of Trinity Presbyterian Church collected approximately \$120 at its square dance recently to benefit a displaced Polish family which the club is bringing to Pasadena this fall from West Germany.

Gifts also continue from voluntary sources to help the family begin a new life in America. The family consists of the father, mother and two teen-age sons.

An electric range has been added to the washing machine and other kitchen equipment donated by residents of the area. The family also will need clothes and will be grateful for any other household equipment they receive.

Bob Prescott at Custer 5-6907 will take calls from those who have donations to make for the family. The father of the family is an experienced electrical worker and a job is waiting for him here. The mother is an expert seamstress, and the two boys will be placed in Pasadena schools.

The family plans to return money loaned them to make the trip in order that other displaced persons still in Europe might also be allowed to come to America.

Janice Rowley Has Eighth Birthday

Janice Rowley, daughter of Mr. and Mrs. C. Neil Rowley, 1400 Daveric, recently celebrated her eighth birthday anniversary at a dinner party.

Pink and white were carried out in the table decorations and favors. Pastel balloons were grouped on the ceiling above the table with a cascade of pink rose buds attached to ribbons.

Those taking part in the evening's festivities were the guest of honor's sister, Marilyn, Marilou Manning, Judy Mayhew, Tonnie Hanson, Sally Leonard, Nancy Field, George Peacock, John Kinard, David Johnson, Dennis Doherty, Ralph Thorgimson, Charles Harrison and Billy Caldwell.

Mr. Rowley directed the many games enjoyed by the guests.

DOMINIC F. GIANGREGORIO SUFFERS BROKEN ANKLE

Dominic F. Giangregorio, 990 Pepperhill, is wearing a cast on his leg as a result of a broken ankle. Following a stay of two days in the Pomona Community Hospital he was allowed to return to his home.

AGE MARCHES ON

There comes a time in every man's life when the charm of living seems to lie in the past.

THE LEAGUE OF WOMEN VOTERS Group in the Hastings Ranch area offers a fine opportunity for all its members who wish to develop a feeling of personal participation in matters which concern us as citizens. Their studies include problems on national, state and local levels of government. Through study and discussion, understanding is achieved toward action. Planning for these challenging studies and discussion are (left to

right) Mrs. Chester Pugsley, discussion leader; Mrs. Charles W. Cole, publicity chairman; Mrs. Arthur Shipman, telephone chairman; Mrs. W. L. Barr, membership chairman; Mrs. Harry Halstead, Unit chairman, and Mrs. C. M. Shafer, assistant resource director. The group met in the Cole home, 1110 Medford Road. The League is anxious to share its program with anyone interested in these problems.

Bridge Fans Must Sign by Tomorrow For Tournament

Tomorrow, Oct. 15, is the deadline for entering the husband-and-wife bridge tournament sponsored annually by the Hastings Ranch Nursery School. Play is to begin next week.

Residents of the area who like to play bridge, whether or not they are expert, and whether or not they have children in the school, are invited to participate.

For information, call Mrs. Clyde Seitz, at Custer 5-2935, or Mrs. Gordon Wright, at Custer 5-2962.

Field Parents Set for Grade Level Meetings

An opportunity to sit at their children's desks at school and learn the daily routine is offered Eugene Field parents this month at annual grade level meetings.

Parents will be given an explanation of the day-to-day schedule of the classroom as well as what is expected of each child through the present term.

Teachers will meet parents of their classes on the following schedule:

Kindergarten, first and second grade—Monday, Oct. 24, at 7:45 p.m.

Third and fourth grades—Tuesday, Oct. 25, at 7:45 p.m.

Fifth and sixth grades—Thursday, Oct. 27, at 7:45 p.m.

Take your problems to Church this week — millions leave them there!

How Does the Scrub Oak Get That Way?

It gets that way because its environment has permitted it to take root only in sandy, unproductive soil. Consequently it is stunted; its trunk and limbs are gnarled and twisted, through lack of proper sustenance. In other words, it is a victim of this environment—it is rooted to the spot and cannot move about.

Man is more fortunate. If he is born in unwholesome surroundings he possesses the ability to move about and find for himself a more fertile and productive environment.

He almost invariably seeks, and finds for himself bodily comfort and a greater or lesser degree of prosperity. But sometimes in the long and bitter struggle he is apt to neglect the welfare of his mind, his spirit, his soul or his heart. How like the scrub oak his nature is apt to become warped and embittered. This, however, will not and need not happen to him if he but remembers that there is food for the soul and solace for the weary heart in regular attendance at the church of his choice, for his spirit will be uplifted and the trials and tribulations of the eternal struggle for existence will be lightened by faith and prayer.

With the hope that it will, in some measure, foster and help sustain that which is good in family and community life, this feature is sponsored by the business firms and organizations whose names appear in this space.

ARCADIA LUMBER CONTEST WINNERS

The Arcadia Lumber Co. announced this week the winners of three electric finish sanders given away in a drawing for those persons purchasing hardwood paneling during September:

C. K. Reiche, 28 La Sierra Dr., Arcadia Dr. D. A. Smith, 9159 Emperor, San Gabriel, and Robert C. Prescott, 401 E. Russell, Azusa.

THIS IS ONLY A SMALL part of the crowd that jammed Roesse Market last Friday night when prizes were awarded to the holder of

lucky tickets. Other stores in Sierra Madre reported similar crowds.

Mrs. G. M. McRoberts Heads Cancer Drive; Starts Oct. 24

One of the most intensive cancer education programs ever undertaken in California will be held in this area, Oct. 24 to 28, Mrs. George M. McRoberts, 140 E. Alegria, announced today as she took over the post of American Cancer Society chairman for Sierra Madre.

The program, with a goal of reaching 800,000 women in Los Angeles County alone, will consist of free mass showings of the life-saving cancer education film, "Breast Self-Examination."

Mrs. McRoberts urged every woman in Sierra Madre to attend area showings of the film, which demonstrates how every woman can guard herself against cancer of the breast by means of a simple, routine, self-conducted examination.

Theaters near Sierra Madre scheduled for showings to date include Edwards Temple Theater, 9015 Las Tunas, Temple City, Oct. 28; Fox West Coast Academy Theater, 1003 E. Colorado, Pasadena, Oct. 24, 25, 26 and 27. Each showing will open at 9:30 a.m.

Physicians will be in charge of question and answer sessions following each showing, to insure complete understanding of the film, Mrs. McRoberts advised.

"The importance of the film can be understood when one considers that while cancer of the breast now causes about 10 per cent of all cancer deaths, it is one of the forms of cancer which responds most successfully to treatment if detected early," Mrs. McRoberts stated.

Through using the simple tests demonstrated in the film, ACS medical authorities estimate the current 35 per cent cure rate for cancer of the breast could be increased to 80 per cent cure success," she reported.

Shown to thousands of women throughout the nation, the film already has been credited with saving the lives of countless viewers. Because of this record, the ACS in California is undertaking the current all-

out effort to reach every woman in the state with the life-saving information.

Further details on film showings in the area may be obtained by calling Mrs. McRoberts at CUster 5-2245, or the American Cancer Society office at SYcamore 3-2494. Next week's edition of this paper will carry a complete schedule of dates and times of showings.

BLUE BIRDS ARE FIRST IN HEARTS OF COUNTRYMEN

Collections to display American colors on all flag holidays in Sierra Madre will start today, Robert Green, committee chairman, announced Tuesday.

Solicitations will be made by the American Legion and the V.F.W. Auxiliary, under the direction of Mrs. Barbara Heasley. An attempt will be made, Green said, to have all money turned in by the end of next week so that flags can be ordered and displayed by Veterans Day, Nov. 11.

One organization that did not need any prompting is the Busy Little Blue Birds. This group of youngsters sent the following letter to Green:

"At our first meeting of the year, the Busy Little Blue Birds (membership consists of 10 fourth-grade girls) discussed the very commendable city flag project and voted to contribute their October dues to its support."

"You will find enclosed herewith the sum of two dollars. Though the payment is small, it represents 100 per cent participation of our membership in this most worthy undertaking, and we hope that it will aid in some measure the realization of your goal."

"Our best wishes for success in your efforts toward this civic flag display. "BUSY LITTLE BLUE BIRD" (Signed) Shirley G. Emery, Leader."

"This is the kind of sincere cooperation we'd like from everybody in Sierra Madre," Green said. "It indicates true patriotism without the blatant flag-waving that sometimes accompanies patriotism."

About 80 flags will be placed approximately 75 feet apart along Sierra Madre Blvd. from Lima to Baldwin and along Baldwin to Montecito.

Indian Film Is First Program Of Friends

Reading books provides a magic carpet to everywhere.

This is the theme of the first of three school-year programs and exhibits planned for the children of Sierra Madre by the Friends Junior Committee of the Friends of the Library.

Mrs. David Wood, committee chairman, has announced two free showings of a film entitled "Pueblo Boy," scheduled for 7:15 and 8 o'clock tomorrow night in the Community Room of the Sierra Madre Public Library. It is requested that children attending be accompanied by an adult.

Of the three programs planned for the school year, each featuring a certain category of books in the library, the first stresses "travel by book-reading." The 20-minute movie deals with Indian country and life in New Mexico.

The related exhibit in the library includes travel books, pictures taken at the Santa Clara Pueblo during a ceremonial dance celebration, ears of corn such as are used for decoration in the homes of Pueblo Indians and called by them their "pretty on the wall," and also some pieces of black pottery.

Members of the Friends Junior Committee serving with Mrs. Wood are Mrs. Emmett Black, Mrs. George Groth Jr. and Mrs. George Lindsay.

The politician with a pull doesn't generate much push.
